

MUHAMMAD FOTOUH

Architect & Designer

ABOUT ME

Dynamic and motivated architect with a proven record of urban planning, interior & exterior designs.

Skilled in demonstrating exceptional communication skills, and making critical decisions during challenges.

Looking for an entry position that fits my qualifications in a reputable company where my acquired skills would be developed and enhanced.

PORTFOLIO

One of the best scenes I'm proud of...

I have created this scene after 15 hours of learning 3ds Max, it was created from scratch and fully rendered on Mental Ray!

Panorama 360 interior scene.
